

Jordan Nash Resume

Email: jnash51@live.com

I am a professional, object orientated, C# software developer with 3 years experience seeking an entry level position. I graduated with a Diploma of Software Development in 2016 and have actively been creating various small projects on GitHub. I am passionate about software development. I am looking to join a small development team in Brisbane that has an entry level developer position.

SOFTWARE EXPERIENCE

I have a variety of software experience that is both self-taught and through TAFE. I have experience with systems analysis and design, testing, and debugging in WinForms. I have published a variety of code on my GitHub account demonstrating my abilities in C#, React, SQL, HTML and CSS.

- C# (3 years)
- JavaScript (1 year)
- SQL (3 years)
- AWS CLI
- Visual Studio / VS Code / VIM
- ASP.NET / Razor (1 year)
- HTML (3 years)
- SQL Server / MySQL (3 months)
- Jenkins / CI
- Microsoft Office
- React (3 months)
- CSS (1 year)
- Ruby on Rails (1 month)
- Git
- Stack Overflow contributor

EDUCATION

- 2016 Diploma of Software Development from TAFE
- 2014 Certificate IV of Software Development from TAFE
- 2013 Certificate III in Digital Information Technology from TAFE
- 2017 Certificate in First Aid

EMPLOYMENT HISTORY

I have held various casual employment jobs since 2007 developing good verbal and written communication and time management skills. I have experience prioritizing tasks, following processes and meeting deadlines. I can work in teams or autonomously.
